Dear Mrs. Ryan,

Re: Quote for the installation of two
Mushroom Lights.

We have been unable to find any alternative fitting similar to those installed, we have checked on all components including posts but nothing else is satisfactory.

Dear Glenda,

Thankyou for your note re lighting of
22.3.81.

We ~~was~~ ~~to~~ have asked Rex Barrett to visit
the site after Easter to quote on the installation
of a number of new lights in places which are
dangerously dark at night. Your comments will
be included in their brief, & that light included
in those to be done in the next Financial Year.

I have passed your letter to Jan Robbins,
who will be obtaining the quote.

Best regards,

F. P. R.
